

To promote increased charitable giving in our community by individuals and families, The Francis J. Dixon Foundation is generously giving United Way a dollar-for-dollar matching grant, up to \$50,000, for contributions made to the 2024-25 Campaign by:

- Individuals and families who are first-time donors to the Annual Giving Campaign
- Donors who increase the amount of their contributions over last year
- And those who donated to the Campaign in a previous year but not last year, and renew their support of the Campaign this year

So if that's you, every dollar that you contribute becomes twice the amount this year.

Rising Together - United For Impact

Lebanon County is home to generous people and strong support systems. Yet far too many local children and families struggle with food and housing insecurity, access to quality healthcare, childcare, education or training, and more. To be **United For Impact**, we work to solve the root causes to these challenges, in addition to providing services to meet the community's immediate needs. We believe that we can provide a hand-up to those in need, **Rising Together** while working towards a higher quality of life and long-term self-sufficiency for all County residents.

What's Raised Here, Stays Here

Every dollar counts. When the people and businesses of Lebanon County come together, the impact on our local communities is multiplied. Your gift is combined with that of others to address the complex challenges that we and our neighbors face.

At United Way, our programs and investments connect families to community resources, remove barriers to learning for our most vulnerable children, and give all local children a strong start in life.

With your gift, local children and families are able to receive the support and education they need. Give generously to support our neighbors today, while building a stronger future for us all in Lebanon County.

Your contributions to the Annual Community Giving Campaign enable the United Way of Lebanon County to fund our Signature Service Programs and annually award Community Impact Grants to local non-profit organizations.
