Rising Together - United For Impact

Lebanon County is home to generous people and strong support systems. Yet far too many local children and families struggle with food and housing insecurity, access to quality healthcare, childcare, education or training, and more. To be **United For Impact**, we work to solve the root causes to these challenges, in addition to providing services to meet the community's immediate needs. We believe that we can provide a hand-up to those in need, **Rising Together** while working towards a higher quality of life and long-term self-sufficiency for all County residents.

LET'S BUILD A BETTER FUTURE, TOGETHER!

2024-25 ANNUAL FUNDRAISING CAMPAIGN

Runs September, 2024 through June, 2025

Workplace Giving Campaigns are the cornerstone of our Annual Fundraising Campaign and can run September – February, scheduled at employers' discretion.

Donors can designate contributions to specific organizations or have Lebanon County United Way invest them through:

- Annual **Community Impact Grants** to service organizations in the County.
- Our United Way **Signature Programs** that serve County residents.

CONDUCT A WORKPLACE CAMPAIGN THIS YEAR!

Workplace Campaign contributions are used to create lasting change by bringing local agencies and resources together to support our neighbors in need today, while we build a stronger future for everyone in Lebanon County.

Campaigns can be fun, team building, and gratifying for your workforce. And United Way staff and volunteers provide training and support for your company's Campaign Coordinator in both planning and implementing your Workplace Campaign.
